DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 56-60, 64 and 65 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 56, line 3, recites "...and a lumen extending there between and terminating at longitudinal opening at the distal end..." It appears that "there between" should be changed to --therebetween-- and that --a-- should be placed before the word longitudinal.

Allowable Subject Matter

Claims 48-55 and 66-68 are allowed.

Claims 56-60, 64 and 65 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
